Test Prep Tips
• SAT Word of the Day
• SAT Question of the Day
provided by Number2.com

College by State
To learn about colleges in your state, please select a Mentor System from the list below for your specific state.

Plan a Career

SELF Assessment
Evaluate your interests, skills, personality and values to help determine possible career choices.
[Begin Self Assessment](#)

FIND A Career
Once you have completed your self assessment enter your scores into the Career Finder, which will match you to possible careers or search careers by name.
[Begin the Career Finder](#)

CAREER LIST BY Industry
If you already have an idea of a career path, search the Career List by Industry to find recommended majors and academics to obtain your career choice.
[View the Career List by Industry](#)

ALPHABETICAL LIST OF Careers
If you already have an idea of a career path, search the Alphabetical List of Careers to find recommended majors and academics to obtain your career choice.
